### **ChoiceOne Financial Services and County Bank Corp. announce Merger of Equals**

SPARTA, Mich. and LAPEER, Mich., March 25, 2019 – ChoiceOne Financial Services, Inc. (OTC: COFS) (“ChoiceOne”), the parent company of ChoiceOne Bank, and County Bank Corp. (OTC: CBNC) (“County”), the parent company of Lakestone Bank & Trust, jointly announced today the signing of a definitive merger agreement pursuant to which County will combine with ChoiceOne in a strategic merger of equals. The agreement was approved by the boards of directors of both companies.

The combination will create an approximately \$1.3 billion-asset bank holding company with 28 offices in West and Southeastern Michigan making it the 12<sup>th</sup> largest bank holding company in Michigan based on asset size. The transaction is expected to close in the second half of 2019, subject to satisfaction of customary closing conditions, including receipt of regulatory approvals and approval by the shareholders of each company. ChoiceOne Bank and Lakestone Bank & Trust are expected to consolidate in the second quarter of 2020.

Under the terms of the merger agreement, each share of County common stock outstanding immediately prior to completion of the merger will be converted into the right to receive 2.0632 shares of ChoiceOne common stock. As part of completing the transaction, it is expected that ChoiceOne will declare and pay a special dividend of \$0.60 per share to ChoiceOne shareholders. The transaction is valued at approximately \$50.96 per share of County common stock, or approximately \$89.0 million in the aggregate, based on the closing price of ChoiceOne’s common stock of \$24.70 on March 22, 2019. The transaction is projected to generate approximately 14% earnings per share accretion in the first full year based on fully phased-in cost savings of approximately 10% of the combined expenses of the two companies. It is also expected that the tangible book value dilution will be earned back in approximately three years. Upon completion of the transaction, ChoiceOne shareholders will own approximately 50.1% and County shareholders will own approximately 49.9% of the combined company, excluding outstanding ChoiceOne stock options and restricted stock units.

Located on opposite sides of the state, these two community banks share the same culture, values and commitment to serve their customers and communities. With approximately \$670 million in total assets as of December 31, 2018, ChoiceOne has 14 locations and over 120 years of experience serving West Michigan. With approximately \$617 million in total assets as of December 31, 2018, County has 14 locations and over 117 years of experience serving Southeastern Michigan.

“I am extremely proud to lead these two companies into our next phase of growth,” said Paul Johnson, Chairman of ChoiceOne. “These two organizations are very similar in their steady growth over the last 100 years, and yet they both bring unique qualities to the table. Our combined organization will allow us to expand our collective expertise into the communities we serve with enhanced capacity to invest further into technology, products and services as well as our local support.”

“The culture of a partner was of the utmost importance when we considered this transaction,” said Bruce Cady, CEO and Chairman of County. “Lakestone’s and ChoiceOne’s cultures and values are very similar. We are two strong, growing institutions with a powerful commitment to serve our customers and give back to our communities. Leveraging these strengths in this merger, as well as our complementary products and leading market positions, will clearly position us as one of the finest community banks in Michigan.”

“This merger is exciting for our customers, communities, employees and shareholders and will help us move closer to achieving our vision to be the best bank in Michigan,” said Kelly Potes, President and Chief Executive Officer of ChoiceOne. “The leadership of our two institutions had a clearly shared vision that was evident from our first discussion. Because of our separate, but similar markets, this combination will result in an exceptional company and present efficiencies and new growth opportunities in our expanded network across Michigan.”

“Combining two successful banks allows us to offer a broader range of services and depth of knowledge to our communities,” said Mike Burke, President of Lakestone Bank & Trust. “Our collective customers have come to expect exceptional service through multiple delivery channels. With each of our banks offering over 100 years of strong customer-focused service, we will become the premier financial institution in our markets.”

- Paul Johnson – Chairman of the Board
- Bruce Cady – Vice Chairman of the Board
- Kelly Potes – CEO
